DIFFERENTIATORS

Our team includes former career DoD Auditors (OIG and DCAA), Finance Managers, and Reviewers of Federal Contractors and Financial Operations. Most of our staff has served while deployed in locations like Iraq and Kuwait, or on military installations across nearly every state in the continental United States.

We specialize in FAR, DFARS, and 2 CFR 200 compliance. Our CPAs, Certified Fraud Examiners, and Engineers bring over 150 years of experience, delivering sound recommendations and impartial guidance based on each client's needs and goals.

PAST PERFORMANCE

- Experience with aerospace companies, defense contractors and subcontractors, gas and electric utilities, nonprofits, and local, state, and federal government organizations (DARPA, Raytheon, GE).
- Supporting investigations of financial impropriety for government organizations (DoD OIG and Army Criminal Investigation Division).
- Managed over $527 million of federal funds for 128 Public Housing Agencies.
- Evaluating financial management compliance.
